120KW Solar System

| Item | Model | Picture | Description | Qty | Unit Price | Price |
|---------------------|----------------------------------------|-------------------------------------------------------------------------------------|------------------------------------------------------------------------------------------------------------------------------------------|-----|-------------|--------------------|
| 1 | Mono Solar Panel |  | Rated Power : 700W 210mm 132cells 12 panels in series 15 PV arrays of each inverter | 180 | \$180.00 | \$32,400.00 |
| 2 | PV Combiner Box |  | Circuit Breaker Protection Lightning Protection 5 input 1output | 3 | \$350.00 | \$1,050.00 |
| 4 | Energy Storage Hybrid Inverter |  | Rated Power: 150KW Battery Input : 420V~850Vdc PV input power : 180KW PV MPPT Range : 200V~850Vdc AC output: 230/400Vac 50Hz | 1 | \$23,879.00 | \$23,879.00 |
| 5 | Mounting Brackets |  | Item No: Mounting System (including all parts) Tin Rooftop install (Customized) | 1 | \$8,000.00 | \$8,000.00 |
| 6 | PV Cable |  | PV 4mm ² -40℃~90℃ (MOQ = 1roll = 100m) | 8 | \$100.00 | \$800.00 |
| 7 | MC4 Connector |  | Rated current: 30A Rated voltage: 1000VDC | 100 | \$2.00 | \$200.00 |
| 8 | Mounting Tool |  | Wire Cable Cutter & Stripper, MC4 Crimper MC4 Connectors Assembly Disassembly Tool | 3 | \$40.00 | \$120.00 |
| 9 | Shipping cost to Budapest(20ft) | | | | | \$8,293.00 |
| Total Prices | | | | | | \$74,742.00 |

Delivery time: 15 working days after receiving payment

Quote Validity: 15 days
