

How to order and pay

Via Alibaba

1	Please tell us the configuration you need: *Grade A cell or Grade B cell; *The brand and model of the BMS; *Black box or white; *Whether to add Neey 4A Act. - Balancer; *Whether needing cables for BMS to inverter and PC USB; *Whether the power cable needs to change from the default 4AWG to 2AWG; *Quantity of the battery packs you need.
2	Please send me the information, and I will draft this order via Alibaba: Name, address, zip code, phone number, email (bound to your Alibaba account)
3	I will send you a payment link after drafting the order. If all the information is correct, you could pay according to the system prompts.
4	Credit card, PAYPAL, CC and TT are all OK. If using credit cards and PAYPAL, Alibaba will charge a handling fee of 2.99%. If TT, its cost is the cheapest. For your reference.

Out of Alibaba(Direct transfer to us)

	Please tell us the configuration you need: *Grade A cell or Grade B cell; *The brand and model of the BMS:
